

# ARTIFICIAL SURFACE MAINTAINENCE

REJUVINATE AND REPAIR ARTIFICIAL PITCHES - COURTS - PLAYGROUNDS

## Grounds & Gardens Surface Maintenance

The Artificial Surfaces Maintenance teams at Grounds & Gardens Ltd will rejuvenate your old pitch or playground area with a Synthetic/Artificial Surface maintenance program. These are individually tailored to suit your Educational / Activity needs and this can be delivered on a timetable suitable for your requirements. All synthetic pitches require a little TLC, from a monthly or quarterly rejuvenation visit (various maintenance packages available) to one off repairs or complete resurfacing of area. Hard Surfacing can be transformed with our professional power washing service which brings back to life Tennis courts, Basketball courts, MUGA,s and playgrounds.

Grounds maintenance agreements can provide you with the following services:

- Artificial Pitch/Court/Playground Maintenance
- Re-Sanding
- Re-Surfacing
- Re-Brushing
- Fix Down Edges or Re-glue Joints
- Remove Rucking
- Sports Pitch/Court Repair
- Rubber/Foam safety underlay -  
For playgrounds/paths/steps
- Fencing / Repairs
- Landscaping
- Weed Control, etc
- Pressure Washing Service
- Deep Clean Tennis Courts
- Rejuvenate Multi Use Games Areas and Equipment
- Clean all surrounding areas - Paths, Tables, signs etc
